About Us

Queenz Institute of Fashion established in the year 2004 is producing immense creative potential in the world of fashion with its dedicated approach towards fast changing needs of fashion industry. We see to it that our future designers are introduced to the industry with strategic, creative, and functional skills. In our 12 year old journey we thoroughly equipped ourselves in providing innovative and excellent education and training in the field of fashion. Event: In order to bring awareness in the public on Fashion Technology and facilitate sponsors in promoting their brand, Queenz Institute of Fashion has proposed to organize a Designer Show "iti-2017" which helps facilitate students to showcase their talent. Further we would extend financial support for tribal education in Visakhapatnam Tribal area.

Show Name: iti-2017 Show theme: Kaleidoscope of Andhra handlooms and Handicrafts .Vision of the show: To give a platform to design students to showcase their design and creative abilities.

Mission of the show: The main mission of the show is to revive the present look of the handicrafts and handlooms. AP handlooms like Chirala, Venkatagiri, Managalagiri and Dhramavaram are fetching local clients from years together. We have tried our best to give total new look to our traditional textiles and handicrafts which will not only fetch national and international markets but also will uplift the diminishing handloom industry....
