In addition to being a full-service real estate company offering everything our local clients may need under one roof, We are strong and vibrant independent real estate company serving all of Pune District.

About Us

In addition to being a full-service real estate company offering everything our local clients may need under one roof, We are strong and vibrant independent real estate company serving all of Pune District. R.B.Kulkarni & Associates experience and its ability to analyze property value in its respective market conditions allows sell/hold decisions to be made with confidence. This constant re-evaluation aids in the determination of when one should dispose of an asset to maximize the return on investment. A broad range of perspectives is critical to the timing and pricing of a disposition. Once it has been determined that the asset should be sold, We targets qualified buyers with the assistance of an in-depth marketing plan. After the targeted buyer has been contacted the sale is made and brought to an expeditious closing. The same financial analysis is performed when we are reviewing potential acquisitions for our clients. The appropriate asset is found and the maximum value is attained through expert negotiation. All properties are selected and reviewed for portfolio appropriateness for each individual investor. All assets managed by R.B.Kulkarni & Associates are continually evaluated to determine whether to sell, hold or acquire commercial/residential properties to attain a growth pattern and to enhanced value. Our Panel of Advocates scrutinizes every aspect of property required to provide our clients a reliable ,secure Investment. our 100% customer retention figure gives us...
