<https://www.indiamart.com/r-d-plast/>

We are a prominent manufacturer and supplier of Plastic Components. This range is widely acclaimed for its heat resistant features, dimensional accuracy and flawless functioning.

## About Us

Established in the year **1995**, we, “**R. D. Plast Nasik**”, are a reliable and trusted manufacturer, and supplier of **Plastic Components**. Our entire range is known for high efficiency, heat resistance, reliable operation and longer functional life. These products are made using high grade raw material procured from reliable vendors of the market.

We have hired a team of professionals that holds expert knowledge and considerable experience in the domain. Our professionals are aware of clients' exact demands and hence, enable us to meet the same in a flawless manner. They work in complete cooperation with each other so as to ensure smooth functioning. Our competent workforce helps in maintaining our reputation over the industrial competitors.

Under the expert knowledge of our **Director, 'Mr. Dinesh Bhavsar'** in the domain, we have been able to maintain flexibility in our services. His expertise in the domain and deep knowledge regarding the market trends have helped us in achieving the desired goals of the organization.
