Raajratna Electrodes Private Limited

https://www.indiamart.com/raajratnaelectrodes/

We are an ISO 9001:2008 certified Manufacturer, Exporter and Supplier of Low And Medium Tensile Steel Electrode, Low Alloy Electrode, Nickel Based Electrode, etc. These are offered in different specifications as per the needs of the clients.
About Us

Established in the year 1991, at Ahmedabad (Gujarat, India) we "Raajratna Electrodes Private Limited," are betrothed in manufacturing, exporting and supplying an extensive range of Low And Medium Tensile Steel Electrode, Low Alloy Electrode, Weathering Steel Electrodes, Electrodes For High Tensile, Quenched And Tempere, Creep Resistant Steel Electrode, Hardfacing Electrode, Nickel Based Electrode, etc. Our firm an ISO 9001:2008 certified company and leading Government recognized "EXPORT HOUSE" and a part of "Raajratna Group". Our group has grown as truly global player in the welding consumable industry. Today, our products are seen in 50 countries around the world. Welding Consumables manufactured by the company are meeting international quality standards i.e. AWS, DIN, BS, JIS etc. We adopt latest and innovative technology and our products are approved by International and National agencies like ABS, BV, DNV, D&B, LR, PDIL, RDSO, BHEL, ESSAR, BIS, IRS, IBR, BAX COUNSEL, THERMAX, TOYO, etc.

Our production team is highly skilled and we always aim to give zero defect products to our customers. Our quality assurance and R&D team always believes in continuous improvement in our products keeping in view customer's requirement. We also offer Private Branding electrodes. Unprinted electrodes, AWS printed electrodes and even your own unique product name printed electrodes can be achieved....
