## About Us

Over One Year Ago the Raas Builders & Developers, saw a great opportunity in India's growth story. Raas Builders & Developers to offer housing for sale in the country. Our Group is primarily involved in development and the sale & leasing of residential, commercial and industrial properties.

At Raas Builder & Developers, we are a team where every member feels totally aligned to the vision, mission & values of the company. Our teams are thus self-motivated, well guided and prepared to think, act and focus their efforts on achieving the corporate vision like a mountaineer - who only aims for the top
