About Us

Racewin Trade Links (RTL) is came into mission with a great motto of building a healthy and strong nation. It is a charity organization and all its profits will be diverted towards charity so that everyone in India should lead a great life. We are working with more than 100 farmers working in 6 different projects over an area of 1,000 acres. We continue to grow, spreading the passion and joy of living an organic life. Our farmers are the core team of the process. They come from Telangana and Andhra Pradesh states with different sizes of land. They enjoy a their support towards better toxin free world with great Biodiversity. They about growing healthy, pure food.
