

Radha Swami Industries

<https://www.indiamart.com/radhaswami-indus/>

Manufacturer and exporter of refractory castables, air-setting mortars, high alumina ramming masses, pre cast shapes and monolithic shapes as per design.

About Us

Radhaswami Industries has state of art facility to produce entire range of refractory castables. Under able guidance of a team of technocrats and qualified personnel, the company has been able to create its own brand in already saturated market. The production range includes the following: 1) Dense castables 2) Insulating castables 3) Low cement castables. 4) Refractory mortars. 5) Refractory burner blocks. 6) Refractory pre cast shapes. 7) Throat blocks.
