Radhekrishna Chemical Company

<https://www.indiamart.com/radhekrishnachemical/>

We are one of the leading Manufacturers and Suppliers of a supreme quality range of **construction & waterproofing chemicals, anti corrosion coatings, concrete admixtures, bonding agents, water repellents, structural repair polymers & SBR etc.**

About Us

Established in the year **2004**, at **Mumbai (Maharashtra, India)**, we, "**Radhekrishna Chemical Company**", are acknowledged as the renowned **manufacturer** of an exclusive range of **Construction & Waterproofing Chemicals**. We source our raw materials from India's largest manufacturers. Some products are manufactured at our end, some are processed at other factories on labour jobs while few are outsourced from importers etc. Our products are appreciated in the market for consistent quality, higher solids ratio and higher performance with economy. In order to meet various requirements of clients, we offer these products in varied packaging options at the highly affordable price. We also provide structural repair services, Lift Pit & Basement waterproofing service, and Terrace/Roof waterproofing service. The main objective of our organization is to provide the best quality products to our valuable clients as per their specific requirements. Our focal point is towards maintaining consistent quality in our products that sets us apart from our counterparts. Further, our quality team conducts rigorous quality tests on the offered products, before delivering to the clients. Owing to strict our quality-centric approach, we have been able to provide our clients flawless and excellent quality products. We have a wide distribution network that enables us to deliver clients' orders...
