Radiant Anodisers Private Limited

<https://www.indiamart.com/radiant-anodisers/>

Offering PVDF resin based metal coatings services, anodising services, buildings, architectural powder coating services and epoxy insulating coatings.

About Us

Radiant Anodisers, a 14 year old company in the field of metal finishing, has all the three finishes possible on Aluminium. An ISO 9001:2008 certified company; Radiant has a state of the art coating plant, doing job-work of World Standards. In an endeavour to make metal-coating industry more organized and at par with the best in world, we have invested in a conveyerised line, fully equipped laboratory and skilled personnel. To provide the best to our customers, we have tied up with the world's largest paint Company M/s. Akzo Nobel Coatings. We use the best pre-treatment chemicals. We provide logistic solutions to our clients for timely and quality services.
