We are one of the most trusted organizations engaged in manufacturing a comprehensive range of **Ladies Chiffon Sarees**, **Mens Shirts**, **Ladies Designer Sarees**, etc. These products are admired for their attractive design and high softness.

About Us

Established in the year **1983**, we “**Radiant Cottex**” are a leading Manufacturer of a wide range of Ladies Chiffon Sarees, Mens Shirts, Ladies Designer Sarees, etc. These products are designed and manufactured using the finest quality soft fabrics and advanced stitching techniques under the supervision of our skilled professionals as per the latest fashion trend. In addition to this, sophisticated look, exceptional finishing, comfortable to use, and light weight are some of the features of our offered range of products.

The assortment of clothes is accessible in a diversity of patterns in order to cater to the exact requirements of our customers. This base is further segregated into various subunits such as designing, production, quality control, packaging, etc. We are manufacturing our products as per the ongoing fashion trends and developments by adopting upgraded methods of production. With a purpose to mature into the biggest listed company of apparels products, we are developing the norms and assisting the demands of a broad clientele.

Under the direction of our mentor **Mr. Rizwan Aslam**, we have been competent to attain enormous achievement of this field. His sharp business acumen, ability to take a quick decision, excellent leadership skills and transparent business dealings has helped us to gather a wide client base. We are growing every day because of his valuable assistance and continuous...
