About Us

Established by Michael Nicholas, better known as DJ Mike, Radioaktiv is a resultant of his passion for music and memorable events. Having seen and been a vital part of numerous events, his foray into event management stemmed from his objective to cater to the whole rather than parts. Backed by over 9 years of experience as a DJ and Audio Engineer and his understanding of the various aspects that constitute a successful event, Michael designed Radioaktiv to be an end-to-end solution for services in the areas of Event Management, Audio Engineering, Deejaying and Equipment hire.
