## About Us

Rainbow Impex India was established in the year 1962. Rainbow Impex India is a trusted name for its raw materials in Poultry, Cattle and Aqua Feed industry. Our decades of experience in agriculture industry make us capable to understand the requirements of our clients and our strong network of domestic and foreign suppliers gives us power to fulfill it satisfactorily.

From last 7 years, we have also entered into supply of high quality cattle feed & poultry feed raw material, distillery feedstock etc. Already established relationship with producers and all over india has given us an edge over our competitors. It ensures procurement of right good from right place at right time and enable us to deliver quality product at competitive market price. Looking at growth of these industries throughout world, we are also keen to expand our customer base in india and abroad.
