About Us

RAJAMA EXPORT is a sole proprietorship organization, came into existence in the year **1993** as a **processor, supplier and exporter** of a comprehensive range of **Powdered Spices**. The company is also involved in **trading, supplying and exporting** a client specific range of **Agro Seeds, Spices, Dry Fruits and Pickles**. Further our product range encompasses **Red Chilli Powder, Turmeric Fingers, Dry Red Chillies, Dry Ginger, Wheat Seeds, Poppy Seeds, Lemon Pickles, Mango Pickles, Coriander Powder, Cumin Powder, Sambar Masala Powder, Cashew Nuts** and many others. We are an **ISO 22000:2005** Certified Company. We take special care while processing our range, in order to make qualitative delivery of the consignment. Apart from this, the products in which we trade are procured from the most authentic and reliable market vendors, possessing vast knowledge of their respective domain. Furthermore, through advanced preserving and packaging system, we ensure to make the supply of quality approved range in the market. Prompt delivery of the consignment is an additional benefit that our customers get from us under each and every circumstance. Executing our entire activities under the skillful guidance of, **Mr. D.M Kathir Anand**, our CEO, we have achieved an outstanding place in this challenging industry. His dynamic business approach, sharp business acumen and in-depth knowledge related to their concerned field have...
