About Us

Welcome to Rajan Building Contractor Rajan Building Contractor has already established our aim and motive by delivering quality and steadfast service to our existing clientele. By practice we stick on to our watch world “Constructing Ideas perfectly and differently”. We are promised to engage our self in the field of constructing multistoried buildings of different uses like Commercial Complex, Business Malls, Hospitals, Complexes, Independent Villas and Flats, with following prospects.

- To reach, meet and establish the international standards of constructions.
- To ensure an environment friendly work place.
- To find out workforce for the on time delivery of service.
- To ensure additional safety measures in the work place.
- To find out scientific methods to increase the quality of services.
- To make labour friendly atmosphere at work place.

Rajan Building Contractor is a bold initiative born out of a vision to provide enduring and effective construction solutions to a selected customer group of builders and property developers. In our committed bid to do our bit for the society, we have evolved from being just a nominal construction house to an eco-friendly and value driven construction solutions provider. Our exclusive features like flexibility, ability to optimise and...
