About Us

In the year 1984, the firm started with small scale production as home business to a factory known as Rajasthan namkeen bhandar. The proprietor shri misridevi owner of company & shri Laluram Prjapati (who is an employee in indian railway) started with their efforts from a small home made namkeen to a factory of namkeen known as Rajastahn namkeen bhandar. As business expanded they started whole sale of namkeen in local markets.

In the year 2001 earthquake attack the kutch but the business remains stand in that condition by the great efforts of the proprietors. In the year 2003 the firm shifted to the new building at 1300 sq feet plot and expands its business in gandidham, kandla, adipur & all over the kutch. RNB is now have more than 50 items in namkeen successfully running in the area were demand is more than its supply. After seeing a huge demand for its product in market the management decides to install latest machinery for the production of namkeen in a very hygienic condition.

We Rajasthan namkeen commits for the high quality of namkeens at affordable price with great quality and mouth watering taste. The main specialty of our namkeen is that the factory is in gujarat but maintain the taste of rajasthan in its product that's why it's known as rajasthan namkeen bhandar. The company is also start its retail outlet in 2009 which aim to direct sale of its product to one to one customers so they can mutually in direct touch with his...
