Rajat Ceramic

<https://www.indiamart.com/rajatceramic/>

We are a distinctive manufacturer, supplier and exporter of ceramic tiles and sanitary ware. Our product line is highly appreciated by clients due to its superior quality, attractive designs and economical pricing.

About Us

Established in the year **1995**, we, "**Rajat Ceramic**", are counted among renowned manufacturers, suppliers and exporters of high-quality **Ceramic Tiles and Sanitary Ware**. The products offered by us are designed and manufactured keeping in mind variegated demands of clients and on-going market trends. Our product catalog is highly acclaimed by clients due to its aesthetic designs, perfect finishing, elegant looks, excellent polishing and durability. We make sure that each product is made out of quality assured raw material and delivered after strictly checking its quality. With the assistance of our state-of-the-art manufacturing unit, we have gained adroitness in designing and offering a variety of exclusively manufactured products. Facilitated with all kinds of necessary amenities, this unit leads us towards the effective production of our range. Our diligent team of professionals assist us at each stage of production to ensure the proper management and perfect execution of all processes. These professionals have enabled us to attain an enviable position in the market. Under the able guidance of our mentor, "**Mr. Harshad Bhai Patel**", we have efficiently climbed the pinnacles of tremendous success & growth. His sound industry experience and meticulous efforts have enabled our organization to become most celebrated name.
