About Us

We, **Raj Enterprises** had started our business sin the year **2008** as a **sole proprietorship** based company. Our company is involved in **manufacturing and supplying** a wide assortment of **Fabricated Products, Fabricated Racks, Fabricated Staircase, Rolling Shutters, Kitchen Cabinets, Prefabricated Structures, Metal Pipes, Metal Doors, Geared Traveling Trolleys and many more products**. These products are known for their different attributes like durability, high performance, optimum quality, reliability, corrosion resistant, etc. and increasing their demands in the market day by day. Also, we provide **Fabrication Services** and **Repairing Services**. These services are provided by our experienced professionals who have complete knowledge in this domain. They are master in providing services as per the specific requirements of the clients. The products offered by us are available in various sizes, specifications, design and dimensions. With our team of professionals, we are able to provide a huge range of quality products to customers and also ensure to deliver our range to various places around the country in limited time frame. In the success of our company the proprietor **Mr. Mohan Raj** has played an impotent role. He is the person of his words and very hard working personality. He works on business principles, ethics and also maintains a transparency in our every business deals. We provide different facilities to clients so they...
