About Us

his is a young firm with good experience and working in the field of Architecture & Interior in the name and style of **M/S. RAJIV ASSOCIATES.**

The principal architects of this firm **MR. RAJIV GUPTA** has done his graduation in Architecture (B.Arch.) from University of Roorkee in the year 1986. He has worked with many architects of repute like **Jasbir Sawhney, Satish Gujral, Sikka Associates, and Garg & Associates**, before establishing his own practice in 1990, in association with **Sh. R. P. Gupta**, who is a graduate **Electrical Engineer** with a long experience of 40 years. He has worked with Govt. Deptt. like C.P.W.D. & International Airports Authority of India (IAAI) in various capacities in the field of electrical , mechanical and air-conditioning engineering , before leaving IAAI as superintending Engineer (Elect.) .

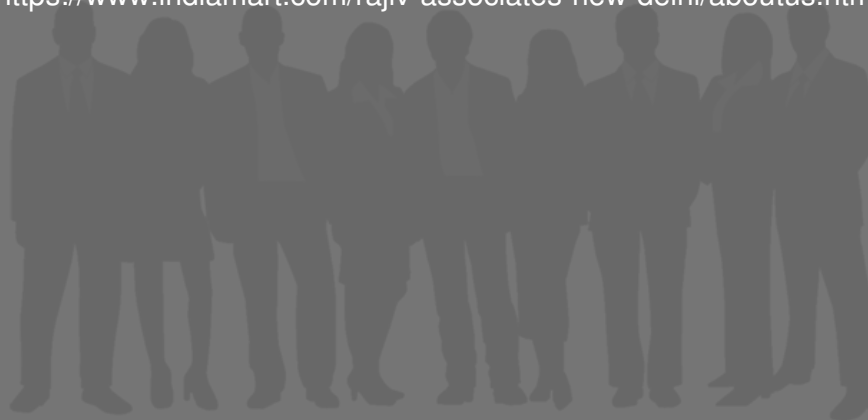

In addition, we have with us the most experienced and creative professional in the field of architecture, civil Engineering, Plumbing, Health and Electrical Engineering, Interiors, Landscaping, fire fighting and air conditioning etc.

We have handled various types of projects like Industrial Buildings, Group Housing Commercial Buildings, Institutional projects and Nursing Homes, Residential projects & Interiors etc.

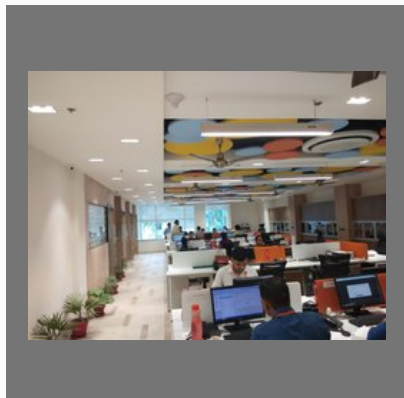

Brief information of the projects handled by our firm in the last few years are mentioned in the following pages for your reference.
