## About Us

As a homeowner or one looking for a new abode, you will be hard pressed to find any construction company, Mangalore area or beyond, with a fast budding record of accomplishments, with more enthusiastically satisfied customers, or with a higher commitment to your project and home design than Rajkamal Constructions. The fact is that even with the vast number of projects and collaborative companies vying for your attention, only a handful merit a serious consideration to become your contractor. Mangalore has many construction companies, but we believe that none would- Do a job matching your exclusive and definitive tastes. Provide you with a better and tested warranty. Offer you more assurances for the positive outcome of your project. Most of all, no other company competing for your commitment will offer you a better value for your money. Combining the varied expertise of so many professionals and artisans, we are in fact, your one-stop construction and remodeling company, now and in the future. Dedication to quality, sound construction plans, and commitment to customer satisfaction. Now and for any building projects to come, we hope to become your trusted construction company. Mangalore is our base of operations, but we will gladly take on your project most anywhere in the area. Good buildings satisfy three core principles: Firmness, Commodity, and Delight (architecture can be said to be a balance and coordination among these three elements, with none overpowering the others....
