About Us

In the year 1986, one man had a dream to accommodate the dreams of others. Under the leadership of the dreamer Mr. V. Jaggannathan, Ramaniyam Real Estates has seen its name etched upon over two hundred buildings since. As the name implies, Ramaniyam projects are an embodiment of grace, beauty and elegance. With a portfolio that covers architecture of varying scale and purpose, Ramaniyam takes pride in offering you enchanting homes with an aura of warmth and comfort as well as ultramodern commercial spaces fully equipped to handle the needs of your business. A myriad of projects spanning across the city of Chennai stand tall as testament to an unwavering commitment to quality and finesse that is standard procedure at Ramaniyam. Each project is customized to suit the specific requirements and budgets of customers. Ramaniyam's team of dedicated professionals leave no stone unturned in making sure your needs are met and your experience is pleasant, right from the enquiry to the handing over of keys to your precious new home.
