About Us

Established in **1967**, **Ranchoddas Odhavji Gaglani & Sons** are a highly acclaimed **Manufacturer, Wholesaler, and Trader of Industrial Chemicals, Powdered Chemicals, and Powder Chemicals**. These are manufactured at our modern infrastructure facility by using premium quality chemicals as raw materials. These chemicals are manufactured in compliance with industrial standards of quality by using highly advanced techniques of production. The chemical products offered by us are highly demanded use in industrial and pharmaceutical sectors. These chemicals are acclaimed for their longer shelf life, stable chemical composition and ease of storage. Our products are available to clients in powdered form and facilitate hassle free and convenient storage owing to their chemical stability. Our products are easily accessible to clients in different specifications of packaging at budget-friendly prices. Their quality is checked before dispatch in order to ensure optimum purity and zero adulteration.

Under the strong and efficient guidance and leadership of **Mr. Tarun Gaglani**, we have established credible and long-term relationships with clients through our quality centric business transactions. Our ethically driven business dealings have helped us become a sought after firm for clients to associate with. Commitment to delivering high-quality products has helped us achieve success and garner a huge base of clients.
