## About Us

Rane Group is an acknowledged leader in Indian Auto Component Industry, having seven companies and twenty-five manufacturing locations. The total annual sales of the Group for 2012-13 was Rs.2,923 crores (~538 million USD).

Rane Foundation, a Public Charitable Trust founded in the year 1967, is the main arm for Rane Group's Corporate Social Responsibility (CSR) initiatives. Rane Foundation's initiatives are focused on education, healthcare, environment and community development.

One of the major initiatives of Rane Foundation is the establishment of Rane Polytechnic Technical Campus in Sethurapatti village, Tiruchirapalli. An eco-friendly building spread over a 7-acre campus with a built up area of 7160 sq.mts is fully equipped with quality hard and soft infrastructure.
