About Us

*Rank Organics*, started in the year 2011. In the couple of years, spent in the industry, we have seen the tide turning in our favor. In this process we have done substantial advancements at our end, so that we are in tune with the changing industry needs and cater them accordingly. Going by what we envisage, no wonder we are in line with the top most manufacturer, trader and supplier of Albendazole EP Impurity, Atorvastatin Powder, Hydroxy Atorvastatin, Atorvastatin Ester, Atorvastatin EP Impurity, Atorvastatin tert-Butyl, Atorvastatin Acid, Atenolol EP Impurity, Glimepiride Chemical, Lansoprazole Chemical, Rabeprazole Salt, Bupropion Salt, Risperidone Salt, Candesartan Chemical and Bicalutamide Impurity. People in our rank carry rich industry experience that helps us to serve our customers on a broader scale and generate long-term business with them. This increases our horizon and helps to get a substantial market share and deliver the goods. Right from the procurement of the raw material till the time when the final product is developed, our quality managers take note of each step involved in the production. On a regular basis we do keep updating our quality parameters so that we are in line with the international standards. Our team comprises of individuals who are self-motivated and eager to take up new learning’s in their respective areas. The team is structured in way that we strike a near perfect...
