https://www.indiamart.com/rapidcooling-systems/

We are the certified Manufacturer and Supplier of an excellent range of Cooling Tower, Cooling Tower Spares, Evaporative Condensers and FRP Cooling Tower. We also provide Cooling Tower Services and FRP Job Works.
About Us

Incorporated in 1999, we "Rapid Cooling Systems" are a certified Manufacturer and Supplier of Cooling Tower, Cooling Tower Spares, Evaporative Condensers and FRP Cooling Tower. Apart from this, we also provide Cooling Tower Services and FRP Job Works. The offered products are manufactured as per the specifications laid down by clients using high grade components with the help of latest technology. All these products are made according to the requirement of the clients. We also make available these products in diverse technical specifications and can be further customized within the promised time frame to meet the varied needs of the clients.

The ultra modern infrastructure of our company is situated at Hyderabad (Telangana, India). We have segregated our infrastructure into different units like manufacturing unit, quality control, research & development and sales & marketing. The professionals of our team work round the clock and accomplish the bulk orders of the clients in an efficient manner. Quality is always considered as the prime objective of our organization and we never compromise on it. For maintaining quality in our product range, our quality controllers check the offered products on different parameters minutely. Quality directly brings business for us across market so we lay emphasize on the quality of the products....
