Rashi Peripherals has emerged to be one of the leading value added distributors in the country with 25 years of presence in IT Distribution.

## About Us

Rashi Peripherals has emerged to be one of the leading value added distributors in the country with 25 years of presence in IT Distribution. Today Rashi has 58 branches offices and 60 centers spread across A, B, C & D class cities of India and more than 9000 Partners/Customers in 750 cities/Towns. Our distribution brands comprise of World leaders like ADATA, AMD, APC, ASUS, ECS, HP, INTEL, LOGITECH, LENOVO, LEADTEK, NETGEAR, NORTON, NVIDIA, PLANTRONICS, SANDISK, SAMSUNG, TARGUS and TOSHIBA. . Established in the year 1989, Rashi has come a long way in distribution and is amongst the TOP 5 IT distributor in India and also amongst the TOP 50 IT(Hardware, Software & services) companies in India.

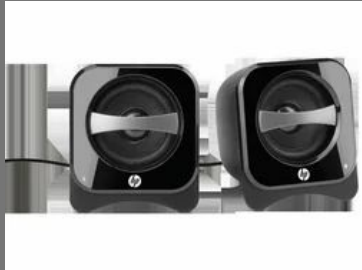

We have grown consistently over the years @ CAGR of 29% with revenue of 360 Million USD / Rs.2180 crores for FY 2013-14. Rashi team of 300+ sales & marketing professionals help in building the Brand and also strong channel engagement. Dedicated Marketing and PR initiative make Rashi ' The Real Value Added Distributor '.Rashi is known for its various innovative marketing programs with conceptualizing and implementing schemes/rebates being its key strengths. One of its very popular flagship events is the Channel Business Forum (CBF) which is an equal opportunity forum that brings together participating vendors and channel partners on a common platform. Started off in 2005 Rashi initiated CBF event series to inform, educate and train channel partners on the upcoming...
