About Us

Ratnaka Enterprise was incorporated in the year **2004** as **Sole Proprietorship** based firm in the industry. We are the leading **manufacturer, exporter, supplier, wholesaler, trader, retailer** and **importer** for a wide range of products. From our operational headquarters located at **Kolkata, West Bengal (India)**, we are managing our business operation efficiently. We are honest with our clients and this helps us in maintaining competitive edge. Our offered range of products comprises of **Terpene Chemicals, Alkyd Resin, Gum Rosin, Phenolic Resin** and many more. We conduct research and keep ourselves updated of the changes taking place in industry, so that better product range is offered to the customers every time they deal with us. Our offered range of products has longer shelf life and precise composition. They are easily available with no impurities and at market leading prices. All business operations in the company are being successfully led by **Mr. Sunil Kr. Agarwal** who is the **Proprietor** of the company. He is profoundly knowledgeable in the industry and utilizes the best of his knowledge to implement favorable changes in the company. He believes in maintaining a healthy and motivational environment in the company campus and for that he introduces several policies for the company employees. He regularly conducts training session for the employees which help in their up-gradation. We are...
