About Us

Nature's way to wellness

Nutriorg the range of wellness products produced by Rattan Organics Foods Private Limited. Rattan Organics Foods Pvt Ltd is a leading producer of wellness products using scientific and research based practice. Organic farms spread over 50 hectares in various parts of Haryana and Rajasthan is one of the biggest strengths of Rattan Organic Foods Pvt Ltd. Rattan Organics Foods Pvt Ltd through its product range under the brand name Nutriorg has plants to further extend its range of farms through backward integration with farmers. The aim of the company is to make the farmers part of the company by providing them with the best value for their product.

Nutriorg has earned a good name as a leading health and wellness organic detox brand in the industry in the past few years at very brisk rate. It works rigorously towards furnishing the market with a range of wellness products grown organically in company owned farmlands under careful supervision. Based in Rajasthan where majority of the production takes place. Herbs, raw materials and fruits chiefly Amla, Aloe vera, Ashwagandha, Shatavari, Tulsi, Neem, Lemon, Kinnoo, Stevia, Giloy, Cissus etc are cultivated organically in the Nutriorg's own certified organic farmlands. Nutriorg pledging by its name presents a range of nutrition rich products grown completely organically. The entire range of these products is intended towards the improvement of immunity, aiding of the...
