# Raut Scientific & General Traders

<https://www.indiamart.com/rautscientific-generaltraders/>

In the industry of manufacturer and trader of a premium and exquisite assortment of measurement and other industrial equipment, **Raut Scientific & General Traders** has been a highly deserving and responsible company.

## About Us

Incorporated in the year of **1984**, **Raut Scientific & General Traders** has been able to acclaim a very rich and eminent name in the industry of **manufacturer** and **trader** of a first class assortment of industrial utilities. Our offered products are high in adherence with the international standards and norms which help us in winning the huge convenience and fervency of our company. Moreover it is being ensured that stringent tests are being carried out over the quality of these products before any kind of shipment is being processed towards the customers end. Some of the best and highly durable range of products which we have been able to provide with include those of **RCT Basic, Lab Plasticware, Rotary Evaporator, Brookfield Viscometer, Magnetic Stirring Bar and many more.** We are also **service provider of Lab Equipment Installation Service etc.** It has been due to the firm and astute leadership of our company mentor, **Mr Sumit** whose futuristic approach enabled the company in acclaiming with the tremendous and copious desires of the customers at the earnest of time. Moreover we have a huge and contemporary machine infrastructure under the support of which we have been dealing with our customers. Our huge infrastructure has been divided and segregated into such a way as may enable the prompt delivery policy of our company.
