Manufacturer of textile and fabric.

About Us

Homewards is an Indian Home textiles brand owned by Ravi International a part of Ravi group. Homewards emerged in the year 2002 in Mumbai (Bombay), the commercial capital of India and in short period it made strong foothold in the U.S and Europe Home textile market.

In 2006 Homewards llc was established in New York to make strong presence in the US home Textiles market.

The motive behind the Homewards is to provide innovative and dynamics concepts in the Home fashion products to the customers for all seasons round the year. We have been developing and manufacturing our fabric from Bangalore, karur, Varansi, Surat, Panipat and other parts of India.

We have our own production unit and designing studio in Bombay and we have additional manufacturing facility in out skirts of Bombay. ?Total Customer Satisfaction? is our motto in terms of quality, timely deliveries, proper packing and prompt replies. We have been catering to importers, large chain stores and wholesalers.

What brings us together at Homewards is zeal for excellence, commitment to achieve the set targets and adoption of new ideas which has helped us in our over all growth.

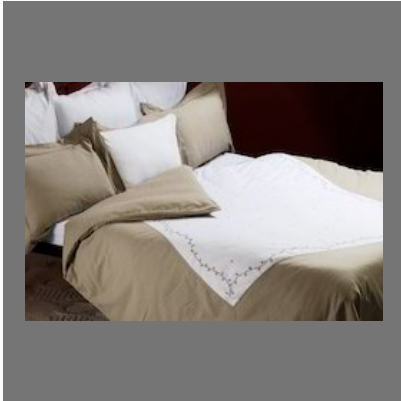

We have in-house studio to create new collections. Our team of designers and merchandisers are always keen on innovating new fabric, fresh concepts and new techniques in designing home textiles products. They are using variety of Indian rich fabrics and techniques and also...
