<https://www.indiamart.com/rdmachineryworks/>

We are recognized as an affluent Manufacturer, Exporter and Supplier of an assorted range of Single Spindle Automatic Lathe Machines, SPM Machines, etc. These products are highly admired by the clients for their optimum performance and functionality.

About Us

Established in the year **1994**, at **Ludhiana (Punjab, India)**, we, “**R. D. Machinery Works**”, are actively involved in **manufacturing, exporting and supplying** a qualitative array of **Single Spindle Automatic Lathe Machines, SPM Machines, Industrial Bushes, Nut Tapping Machines, LPG Stove Parts, Pressure Cooker Nozzles and Auto Spare Parts**, etc. These machines and parts are precision engineered by our technically sound professionals inculcating the most-advanced technology and the finest quality components. Our skilled team of professionals manufactures this range in complete adherence to the quality standards set by the industry. Due to long service life, corrosion resistance, optimum performance and high efficiency, our offered assortment has gained huge demand among our clients. We offer these products after carefully analyzing client’s specific requirements at the industry leading prices.

To meet the large-scale, immediate and customized requirements of our valued clients, we have constructed a technologically advanced infrastructural unit. We have categorized the entire business activities into different functional departments of this facility such as procurement, manufacturing, research & development, warehousing, etc. This methodical separation of work make us capable to meet clients’ diversified requirements in the most efficient and economical manner. Our manufacturing unit is fully...
