<https://www.indiamart.com/rdpollutioncontrols/>

We are the leading manufacturer, involved in offering Centrifugal Fan, Industrial Filter, Commercial Air Scrubber and many more. We also render Centrifugal Fan Fabrication Service. These products and services are extremely reliable.

About Us

R D Pollution Controls Pvt Ltd has carved a niche amongst the most dominant names in the market and incorporated as a **Private Limited** based firm. The headquarter of our organization is located at **Hyderabad, Telangana**. We are the prominent **manufacturer** of **Centrifugal Fan, Industrial Filter, Commercial Air Scrubber, Dust Collector** and **many more**. These products are highly reliable in nature. In addition, we also render **Centrifugal Fan Fabrication Service**. RDPC offer products for industrial and technical applications located in Hyderabad and serves all over India. RDPC managed by experienced engineer headed by Mr. G. Lakshmi Narayana, a post graduate in mechanical engineering and having more than 20 years experience in air handling equipment and centrifugal fans. RDPC supported by well qualified team and infrastructure to handle all these projects in stipulated time.

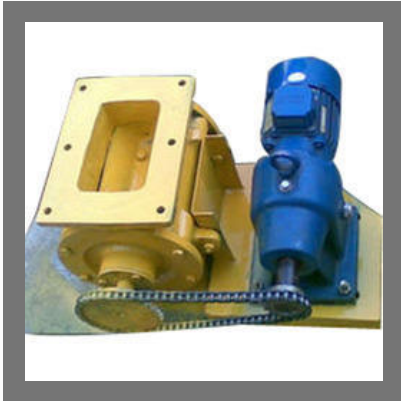

RDPC is undertaking several assignments in dust and fume collection by using high efficiency filtration equipment. Clean air systems with HEPA filters are available for pharmaceutical and electronic industries.
