About Us

A highly dedicated and hardworking team with e-commerce & engineering background managed by personal capital investment. We understand it's good to do business but at the same time we are very much keeping the point that it must be people oriented. At "READY4RASHAN", we try to deliver just the same by following our motto "Freshness delivered door to door". Why ready4rashan.com? READY4RASHAN an online Supermarket offering a wide range of products in which you can choose from variety ,Includes grocery, vegetable, personal care and home care products and many more products under one store with just few clicks. For all those who wants to get rid of traffic, roaming around searching for different product ready4rashan is the easy destination. So sit at home relaxed, click-click & the products is delivered at your door step within 3hrs after placing order.
