Waste Water treatment Plant (ETP/STP), FRP Lining, PPG Lining, Epoxy Coating, Industrial Maintenance, Fabrication, Erection, Shed fabricator, Air fumes Scrubber, Industrial Paintings, Anti Corrossion, HDPE PP Pipe Execution, Service Provider,

About Us

Established in the year, 2005, "RED GIANT ENGINEERS" is a well known engineering firm with expertise in the respective domain. We are the manufacturer and supplier of a gamut of products such as Effluent Treatment Plant (ETP), Industrial Scrubber (Dry & Wet, MS/PP/FRP)etc. We are also a trusted service provider of different services such as Air & Water Pollution Control Services, Anti Corrosion Services, Fabrication Services etc. With the support of our industrious workforce, we have also been able to offer Turnkey Solutions for various engineering projects. Under the guidance of our mentor, Arvind Choubey we are growing with leaps and bounds. He is an engineer, who has a deep experience of 10 years in air & water pollution control services, erection, civil, installation of heavy equipments. He has rich experience of being associated with, various companies. Mr Choubey started his own organization in 2005. Our well equipped infrastructural set up and team of industrial experts have enabled us to carve a niche for ourselves in the market. We lay maximum emphasis on the quality and hence we conduct stringent quality check of the raw material at the time of procurement. Finished product also goes through various tests, which ensures flawless products. We are a customer centric company and hence we defy every requirement of our clients and are dedicated enough to meet them at any cost. Quality Assurance We are committed towards our clients and quality is of...
