## About Us

The job of an event management company is to make your life easier! Whether you're organising a small social gathering or a large corporate conference/meeting or a wedding, you need an event planning company that will understand your vision, prepare and put together a proposal to implement it, and then effortlessly manage that transition from vision to reality. So this where we come in. We love events! We geek out on the details and we are always up for new challenges. You name it. We're on it. We have some super-talented people on board who work meticulously to understand your perspective and deliver the result. At Red Leaf Eventz, we cover them all! From wedding to corporate seminars/meetings/conference, from non-profit organization to private functions like themes birthday parties, baby shower, and many more. We plan and manage events throughout the country as well as overseas. We are not 'party planner'; we are Strategic Event Management Partners. We bring fresh and unique approach to each event and tailor make every strategy suiting your business/event. Regardless of size and scope of your business, we treat your event with clear strategic goals, defines milestones, and a comprehensive plan to ensure that your event is delivered on time and on budget. Once we have established a working relationship with you, we take care of all the details. From site cheks with the venue, to meeting the caterers, bands/DJ's, designer, all...
