

Refrigeration & Allied Traders

<https://www.indiamart.com/refrigerationalledtraders/>

We are the leading manufacturer, trader, retailer and supplier of a number of products. Our product array consists of Brass Fittings, Copper Fittings, Ball Valve, AC Valve and many more.

About Us

Refrigeration & Allied Traders conceived its business operations in the year **1989** as a **Partnership** based firm from its operational unit located at **Chennai, Tamil Nadu (India)**. We are engaged in the business of **manufacturing, trading, retailing** and **supplying** wide range of products. Our product range comprises of **Brass Fittings, Copper Fittings, Ball Valve, AC Valve** and **many more** in the list. The offered products are manufactured by the team of well qualified personnel's. Our products are highly demanded across the nation. We are also appreciated by our clients as we design products as per the guidelines provided by them. We assure time frame delivery at any part of the nature as we care for our valuable clients. We deliver our products with proper packaging and make our clients pleased with our products. Under the guidance of **Mr. Variksh Dugar**, our organization is achieving new heights in the industry. He is the **Manager** of the company and successfully handles all the operation of the company. He is always ready to face new challenges and also motivate employees of the company for the same. His nature and skills also motivate the company employees by which they give their best in their work profile. We are supported by its diligent team members who are ready to deal with new challenges on daily basis. They are willing to learn new techniques and we provide them regular training...
