About Us

Incepted in the year 1992, **M/s Rege Imaging & Cine Films Private Limited** is a renowned name in the field of fabricating and supplying a comprehensive range of **X-Ray Consumables such as X Ray Films and Processing Chemicals. Our range of products such as X-Ray Cassettes and Screens, Radiation Protection Aprons and Various X-Ray Accessories** are able to meet the specific demands of the clients with their superlative features and international standards. We are a trading company which trades in X –Ray consumables which is now diversifying into the latest X – Ray equipment such as CRs and DRs. The company was founded by Mr. B. S. Suri (Managing Director) who has 40 years of experience in this industry. It was born as a private limited company which is now a family held business. The company is the distributors of Kodak X – Ray films since the trade globalization started in India.

The company is now promoted under the able guidance of Mr. Gurpreet Singh, who have achieved a remarkable expertise in this domain. Our team of experts enables us to deliver volume orders on time with brilliant mangement of delivery schedules while the stringent management principles maintain our product standards at excellent levels.

The company provides a range of radiological products and has expertise in storage and preservation of sensitized material that's why we always say that even branded X-Ray films when procured from REGE...
