Trader of wheel base.

## About Us

Regent Automobiles (P) Ltd is the oldest General Motors dealerships in India. It started operation in 1996. The company is considered to be a high quality professionally run dealership in NCR. At Regent we have always brought for our customers an unforgettable experience of ownership of a Chevrolet product and a delightful drive. The state of art facility at regent is a benchmark today. Chevrolet customers in Delhi and NCR are availing of a world class service experience for their favorite Chevrolet cars. Showroom is located on the Main Mathura Road which is National Highway No.2. Apart from being a convenient location, the showroom has large source of infrastructure, strong financial back up, Dedicated manpower with Dynamic Vision for a long term association with its customers, bankers, suppliers and employees. The showroom is spread over an area of 5000sqft. Regent being loyal to its customers is emerging as a key outlet in Faridabad and Delhi. Keeping in view our customer needs we have been providing from time to time innovative schemes like exchange schemes, thus enabling our customers to transact under one roof. Our core team of experts in sales, marketing and aftersales is all set to serve our customers and make them feel a hassle free and delightful Chevrolet ownership. Regent sells a product that exudes presence, sportiness and status and aims to appeal to those customers who want to make an unforgettable statement through their car choice.
