About Us

Height Pro Plus: is a wonderful Ayurveda health tonic. It boosts the energy levels and strengthens the immune system of the body_ It is truly an elixir of life, as it helps to prolong the longevity of life. Height Pro Plus is not a drug but a natural male enhancement herbal supplement. It is effective in igniting lost desire with its potent combination of herbs and other 100% herbal product.

How it works: When you intake Height Pro Plus body growth formula it gives signals to hypothalamus gland which in turn signals Pituitary glands to increase the production of which is responsible for the growth of our body. This also increases the thickness and density of vertebral disks this leads to flexibility of the spine and hence increases the height. How to Use:

- One tea spoon of Height Pro Plus powder in morning with a glass of milk or normal water after freshening up.
- One tea spoon of Height Pro Plus powder at night before sleeping with a glass of milk or normal water.
