**Rewinding/Repairing/Servicing/Spare-Parts Supply of AC-DC, HT-LT Motors, Generator & Transformers Since last 34 Years**

## About Us

Established in the year **1982**, we, “**Renovate Winding Works**”, are one of the leading organizations engaged in rendering qualitative **Rewinding, Repairing and Maintenance Services for Electrical Machines**. All our services are carried out as per the specifications laid down by the customers to fulfill their exact requirements. In addition to this, our services are widely acclaimed by the customers for their reliability, flexibility, customization, timely execution and cost-effectiveness. We have a team of expert professionals, which uses all the available resources for carrying out undertaken projects efficiently. Our team keeps a regular touch with the customers to understand their exact requirements & ever growing demands in a better way. Furthermore, we carry out stringently quality checks on finished project to ensure flawlessness. We have gained a respectable position in this domain because of our mentors, “**Mr. Arun Ansikar**” and “**Mr. Amit Asnikar**”, who have years of experience in this domain. Their ethical business practices, client centric approaches and sound strategies have enabled us to muster a huge customer base across the nation wide market.
