We are rendering License Services for Air Pollution Control, Water Pollution & Treatment, Building Construction and Inflammable Products. Our services are appreciated for their timeliness and flexibility.

About Us

Established in the year **1996**, we, “**Renuka Enterprises, Bhosari**” are a licensed business entity involved in offering effective **Licensing Services for Air Pollution Control, Water Pollution & Treatment, Building Construction and Inflammable Products**. Our enterprise provides with the licenses each year to thousands of clients, for which they need to either pass a licensing exam or fulfill licensing requirements. All our services are suitable for the industrial, commercial and varied different areas. Owing to our domain expertise, we have been able to meet the diverse needs of patrons from varied sectors and industries. Our enterprise is backed by a workforce of experienced professionals, which ensures using latest tools and techniques to provide efficient services.

In addition, the dedicated team leaves no stone unturned in providing these reliable services at competitive rates. For licensing, our professionals maintain a close association with patron and government bodies, so as to provide accurate and organized services, in compliance with industry standards. Under the able guidance of our owner, '**Mr. Rajendra Pardeshi**', we have been able to carve a favorable niche for ourselves in this domain. His detailed knowledge and valuable experience have allowed us in mustering a huge client-base, across the country.
