## About Us

We at RGI believe in combining the three facets together spell SUCCESS, ABILITY, MOTIVATION and ATTITUDE. With this belief the Training & Placement Cell of Radharaman Group Of Institutes came into existence in the year 2005 for providing Minor Training to our First Batch Students. This Cell is adding laurels to the Group under the valuable guidance of Dr. R. L. Gupta (Gold medalist, Eminent Academician & Ex - Principal MANIT, formerly MACT, Bhopal).

Institutes are judged by the Placements they offer, which depends upon the quality of students they produce, which in turn depends upon the intellectual capital, academic environment, industry interface etc. We are providing best placements by producing high quality Engineers and providing best openings for students.

We are the only institute in the Bhopal, who strongly emphasize on the Training imparted to the students. We have got Corporate Tie Ups for Industrial training with Companies like DRDO, TIFR, NTPC, DOORDARSHAN, Heidelberg Group, BHEL, Crompton & Greaves, Gammon india, Fedders Lloyd, Indian Railways, Essar Group, BSNL, Tractor Training Centre, Budni(GoI) and other Corporate trainers to train our Students and to develop the skills required at the Corporate level. In Plant Training for our Pre Final & Final year Students are arranged on regular basis, which helps our students to gain practical exposure of the work undertaken in the Industry.

To carve their own Unique Niche...
