## About Us

India is gifted with varied cultures, festivals and traditions is unmistakably a land with many reasons to celebrate. So we thought why not own this space.

- Why not make every occasion special ?
- Why not develop a sweet tooth ?
- Why not make people rejoice every moment! Big or small.

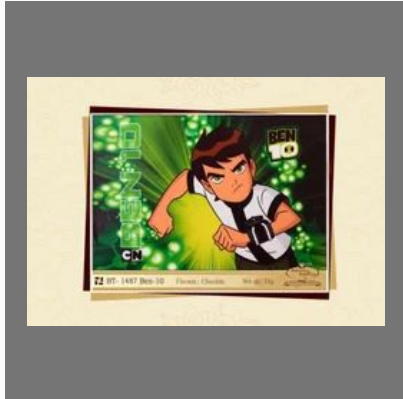

Inspired by the above thought, we commenced Ribbons & Balloons in 2005. Since inception, our motto is to elevate our customers' expectations and make them feel proud that they carry value for money products. Each of our product offering is an outcome of our commitment to quality and excellence. Till today, our honest pricing has not been a pinch to their pockets. And we will continue to maintain the same in the future along with Quality as the prime focus. Keep rejoicing every moment in your life! Warm Regards, **Satish Shetty** Managing Director
