## About Us

Rice Market is established in the year 2016 .We are the leading Producers and Wholesale supplier of Organic Rice and Pulses. These Products are available in 100 percent natural way. These are not polished with no added chemicals. In addition to this, the rice offered by us are available in different grains and specifications, so as to fulfill the diverse requirements of clients.

We are the most influential organization in the industry devoted to producing and supplying a premium quality range of Indian Pulses. Our offered pulses are 100% natural. These are not polished so as to retain the nutrients. Our pulses have high protein content and forms an essential part of the daily diet across the country.
