About Us

Richa Consultant Services established in the year 2014. We are leading Service provider of ACP Cladding, Aluminum Wall Glazing Services, Aluminium Composite Panel Services etc. We are engaged a Structural Glazing Work service that is widely accepted across the nation.

In the service, the glass surface is framed fully and it is glazed structurally in the the external surface. All the glazing work is executed under our experts' guidance. Further, we provide this outstanding Structural Glazing Work at pocket friendly prices to the clients. We make available these structural glazing in various shapes and sizes so as to meet the various requirements of our clients.
