Rishi Electronics

<https://www.indiamart.com/rishi-electronics/>

Supplier of inkjet printers, laser printers etc.

About Us

Rishi Electronics started 2001 with the idea of providing solutions to this growing need of reliable communication network. Today it holds a pioneering position in this field. Its strong hold is due to its innovative, cost effective and customer centric approach. Rishi has earned appreciation as a leading largest Dealer of Computer Consumables, peripherals, Media & Accessories. Rishi adopted Genuine & Original Consumable Supplies and ethical Business Practices. The customer support department backed by skilled and trained Engineers provides fast services to the customers. There are some products that are immediately replaced and some that needs specific time period.
