About Us

RK Coconuts was established in the year 2014. We are the leading Producer & Wholesale Seller of Fresh Coconuts, Tender Coconuts etc. Our offered ranges also include Husked coconut, Semi Husked coconut, dried coconut etc. The offered coconuts are processed using advanced techniques to provide fresh range of husked coconut that is highly demanded amongst clients spread across the nation. These organically grown husked coconuts are praised for their rich nutrition, taste, aroma, etc. Further, these are properly packed to maintain their freshness for longer period of time. Moreover, we provide these husked coconuts to our clients in different quantities as per the specifications provided by the clients.
