## About Us

Founded in 2005 by a professional photographer's, Ravi & Raghu, RKDIGITALS is a complete one-stop photography studio that brings Album Making and Designing. Wedded to the highest level of professionalism, Boundless love for photography, remarkable creativity and a flair for conjuring up dramatic and extraordinary images is what separate us from our competitors in the state of Andhra Pradesh. Especially matrimony photography, along with his brothers Mr. K. Raghu , Ravi & Ramakrishna, our single minded focus and commitment to customers needs, has earned us their continuous patronage and sentimental tag of a Lucky photographer's.

At RKDIGITALS, we use the most advanced technology and the latest photographic equipment including high resolution cameras coupled, aligned with an artistic view of the moment. Backed by a team of experienced professionals in all aspects of photography, we are well-positioned to capture the moments of the occasion as they unfold. Whatever the occasion and whatever the range of your needs, you can find in RKDIGITALS, a reliable partner to capture your best moments as they are.
