

RK Speakers & Electrical Decorator

<https://www.indiamart.com/rk-speakers-electrical/>

We are one of the eminent organizations engaged in rendering DJ Sounds and DJ Lighting Services. Our clients can also avail efficient Generators on rental basis for usage in offices, schools and colleges or in parties and weddings.

About Us

Established in the year 2000, **R.K. Speakers & Electrical Decorator**, is one of the leading names among the service providers of **DJ Lights, DJ Sounds** and **Generators for Hire**. We are committed to provide a pleasurable experience to our clients from various sectors like offices, corporate houses, schools and colleges among others. The services offered by us are appreciated by our clients for being reliable, authentic and timely. With sophisticated facilities at our disposal, we strive hard to ensure that the desired objective of the event is achieved. We offer services that ascertain happiness of the clients without surging their budgets. We follow a time tested working philosophy under which, the requirements of the clients are clearly understood and a solution is planned accordingly. Perfect delivery and execution of the services at par with the expectations of the clients has always been our forte. Our diligent and experienced professionals are phenomenal in developing customized solutions, keeping in consideration the theme of the event. The organization has set new milestones in the domain under the able guidance of its mentor, **Mr. Raju Bhandwalkar**, who has years of experience to his credit. He is ably supported by a team of competent professionals, which is committed to fulfill the organization's core goals and objectives. We are looking forward to serve our clients by sincerely understanding their exact demands and...
