R.K Micro Products is a professionally managed company established in 2007 with an object to Manufacturer and Wholesaler of Moisture Absorbent, Anti Moisture Powder, Filler Masterbatch, Technical Master Batch etc.

About Us

R.K Micro Products is a professionally managed company established in **2007** with an object to **Manufacturer and Wholesaler of Moisture Absorbent, Anti Moisture Powder, Filler Masterbatch, Technical Master Batch** etc. The company's manufacturing facility is located in Delhi, India.

We are engaged in providing a premium quality collection of Chemical products to the market. Formulated under the guidance of our industry experts, these compounds are highly appreciated in the market for their perfect composition and high efficacy. It is equipped with state of the art machinery and laboratory equipments for producing quality products. Within a short span of time the company has made its presence felt amongst desiccant and masterbatch producers in India. The group continues to increase its capacity because of the trust it enjoys among its valuable customers. We aim to continue the same for successful growth in future.

Under the guidance of our mentor **Mr. Bhagwat Singh Panwar**, we have been able to carve a unique niche in this domain.
