## About Us

“Rohit Art” was established in the year 1999. We are specialized in the Development , Production and Sales of various large and medium size range of children play ground equipment. The Company has been established in 1999. We have manufacture more than hundred of play ground equipment and supplied to all over in India. Safety and Durability is our First Priority. We use Galvanized steel pipes with attractive P.U. colour coating for structural strength. Our Equipment made by FRP (Fibre Glass Reinforced Plastic) with inbuilt attractive colours which with height gloss finish & U.V stabilized. Children's little and sensitive hands can easily get hurt while playing around sharp corners and rough surfaces. Therefore, we provide curved edge slides and other items which are safety for the children. 16 years experience in this field of manufacturing and supplying of play ground equipment. Various types of equipments with attractive look and new design. Fast and Best after sales service. We have a team of trained and experienced and skilled staff for manufacturing and installation of equipments.
